# Invitation to Sponsor

2024

**OK APP  
FORUM**

TULSA, OKLAHOMA

Greetings,

The Oklahoma Association of Public Procurement is a professional organization with over 300 members representing the best in Public Procurement in the State of Oklahoma. Our mission is to expand and promote the profession and professional development of public procurement.

To this end after a seven-year break, we held our first in-person conference in Oklahoma City in November 2022. The next year our conference grew at our Tulsa, OK event in October 2023. These conferences were very well received and provided unlimited opportunities for our attendees. We would not have this level of success without our sponsors.

We are returning to Tulsa, Oklahoma again in November 2024. This conference will provide many opportunities to connect with our members. We are excited for the event, but we need your assistance and presence to help make Forum 2024 an even better event. Attached you will find a listing of sponsorship opportunities. We hope that you will join us.

Feel free to look over the opportunities and select one that fits you. Feel free to reach out to me if you have any questions. In advance, thank you for your time and support.

Sincerely,

John D. Veal, Jr., MBA, NIGP-CPP  
President – Oklahoma Association of Public Procurement
